Strive Buildings (19 & 21)

Parking:

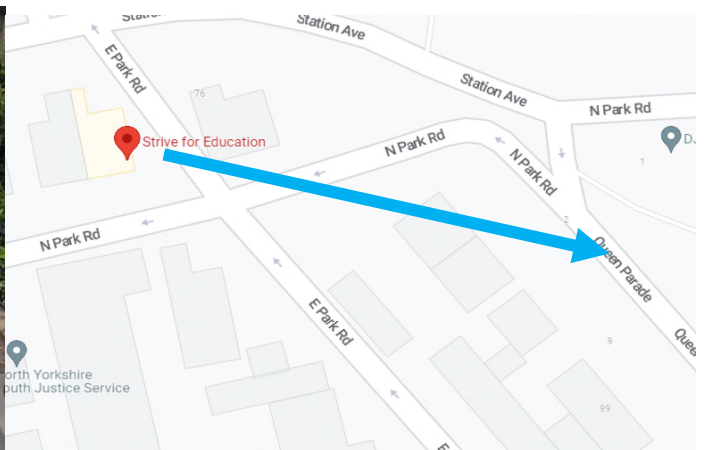

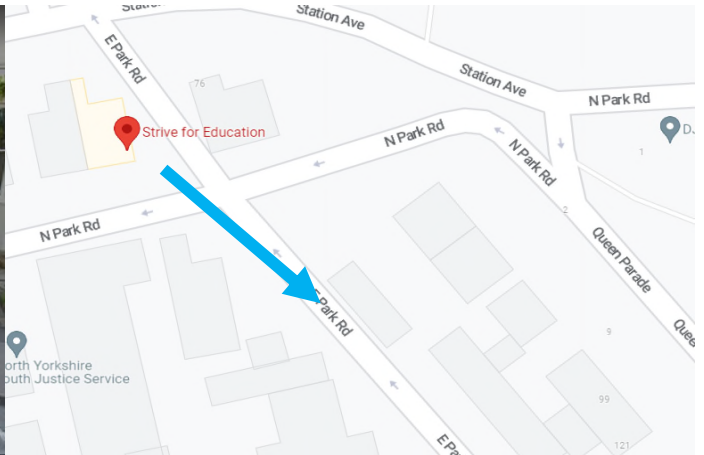

There is no car parking available on site or at the rear. Our car park at 21 was converted into a student social space with outdoor seating and the car park at the rear of 19 is required for staff and minibus access.

There are several options in the surrounding streets.

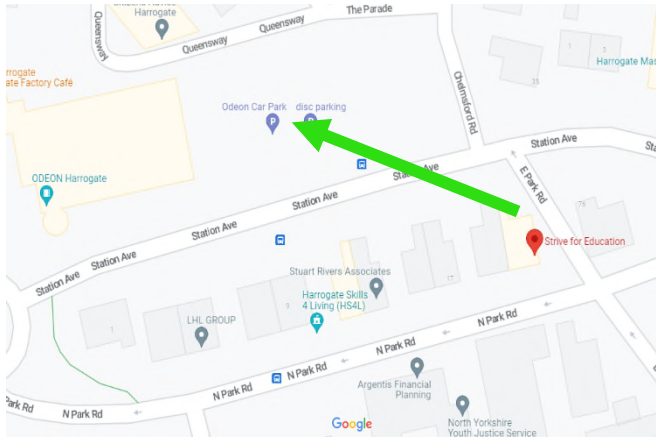

Option 1: Park on North Park Road (NPR). There is parking on NPR + 2 places at the side which is **free with unlimited time**, however, during working hours spaces are extremely limited. **No parking disc required.**

Option 2: Opposite our Strive building there is parking on East Park Road and on Queen Parade. This is **3hr parking** and you will **need a parking disc**. We have spare parking discs in our office if required. Parking is more readily available here.

Option 3: The Odeon cinema car park is located across the road behind the Strive building. **Charges apply** to park here. 1hr (£0.70) 2hrs (£1.40) 3hrs (£2.10)
